ABOUT

PARSHWA FURNITURE is the ideal interior design destination blending aesthetically traditional and contemporary sensibility to provide solutions that pass the bar of relevancy and appreciation from all. Bringing together some of the most innovative designs for seating arrangements in commercial as well as residential segments we at Parshwa Furniture are relentlessly working on giving innovative and user-friendly products since the year 2002.

We have created a niche presence in OFFICE FURNITURE, EXECUTIVE CHAIRS, CAFÉ CHAIRS & SOFA, Our inclination towards innovation and long experience in manufacturing helps us create a product range that is novel and resilient with refined charm.

Expanding the wings, since 2015, Parshwa Furniture has also entered into another territory of PARSHWA PROJECTS AND INTERIORS offering Turnkey project solutions for commercial spaces. As a one-stop solution, Parshwa Projects provide tailor-made solutions that add creative and aesthetic beauty with absolute practicality and applicability that commercial space needs.

The strong founding values of Parshwa forms the identity of the organization. As we strive to achieve more success and bigger laurels in the field, our values are getting firmer day by day. We abide by

Quality Timely Delivery
Innovation Honesty
Teamwork Customer Satisfaction

At Parshwa, we believe in fostering a work environment filled with positivity and dynamism where each one is inspired to perform the best.

At Parshwa Furniture, our culture is to create from the crux. Each project undergoes extensive research and studies to understand client requirements and actual scope. With the exchange of valuable inputs from both the side, the project goes into planning mode and eventually in to designing mode.
