SUMMARY

I am an experienced Magento 2 Frontend Developer actively seeking new opportunities to contribute my skills and expertise to a forward-thinking company. With 2+ years of hands-on experience in designing and developing responsive e-commerce websites, I am proficient in creating custom Magento themes, implementing frontend technologies, and optimizing website performance. I am passionate about delivering high-quality solutions that enhance user experience and drive business growth. I am eager to bring my dedication, creativity, and technical skills to a dynamic team where I can continue to learn, grow, and contribute to the success of exciting projects.
