- Database: Basic understanding of SQL

INTERNSHIP

- Jr.Web Designer (ASP.NET)

  Duration – 3 Months

PROJECT

- DropInk – Online Printing Company

  This is an online printing project. Now a days, there is no website present in which you can design like visiting cards, pens, lanyards etc. online as free of cost. Also, users can view different types of design available for our products and edit them. After all of this process the user can purchase from a website.
