## SUMMARY

---

Highly skilled full-stack developer with **2** years of experience specializing in JavaScript frameworks, including Node.js, React, and Nest.js. Proficient in designing and developing efficient and scalable applications with a strong understanding of front-end and back-end technologies, as well as experience working with databases like MongoDB.

## WORK EXPERIENCE

---

### Ctas Info Services LLP

September 2021 - present

[Full Stack Developer]

As a full stack developer, I have gained valuable experience working with a range of technologies including ReactJS, Node.js, Nest.js, Next.js, Angular, and TypeScript. With a focus on creating fast and reliable applications, I have successfully leveraged MongoDB as a database technology to build robust backend and frontend solutions. Throughout my tenure, I have actively collaborated with cross-functional teams, ensuring seamless project execution and delivering high-quality software products.

## PROJECTS

---

### MyBoeken E-commerce Site

- As part of the MyBoeken e-commerce project, I was involved in developing the inventory and order management dashboard.
- One of my key responsibilities was writing scripts using Node.js to handle data updates and insertions in the large databases of the platform in MongoDB.
- Additionally, I worked on integrating various partner APIs, such as Amazon and BOL, to retrieve data and manage order stock. This involved establishing seamless connections with these platforms, ensuring smooth data synchronization and real-time inventory updates.

### Courier company API

- I developed a Node.js application that seamlessly integrates with a courier company's API to streamline order management. Leveraging MongoDB for data storage, this project ensures efficient tracking and management of orders, providing real-time updates and enhancing the overall logistics process.

### Amazon and BOL Admin panel

- Created React and Node.js admin panels, using MongoDB, for Amazon and Bol repricing, enhancing e-commerce price management.

## EDUCATION

---

|             |  |                    |
|-------------|--|--------------------|
| 2016 - 2020 | B.E. Mechanical Engineering at <b>Silver Oak College - Ahmedabad</b> | (CGPA: 7.21/10.0)  |
| 2014 - 2016 | GSHEB, Class XII   | (54.67 Percentile) |
| 2013 - 2014 | GSHEB, Class X   | (88.33 Percentile) |
